5-Year Warranty

Effective from 1 June 2020 for products sold in South Africa only

When you purchase a Brother printer and our genuine inks or toners, we'll support you every step of the way with our FREE 5-year* warranty commitment. YOU DO NOT NEED TO REGISTER YOUR PRODUCT, our warranty is automatic when you purchase a printer or multifunction centre. With Brother, you can have peace of mind that we are always "At Your Side".

To keep your Brother printer running in optimal condition we recommend that you use only Brother Genuine Consumables, this will ensure you automatically enjoy our exclusive 5-year warranty.

For best results, we recommend that you only buy Brother Genuine Consumables

All genuine Brother consumables are designed as part of an entire printing system, and tested to ensure optimum performance and component protection for your printer. Our extensive experience in the research and development of toner and ink technologies allows us to achieve tailored ink and toner compositions that adhere to the delicate specifications and operational design requirements of your Brother product.

BROTHER ORIGINAL CONSUMABLES WORK IN PERFECT HARMONY WITH BROTHER PRINTERS

Manufactured to the highest possible standards, Brother Original Ink and Toner Consumables guarantee effortless performance, every time. Brother genuine consumables are precision engineered and rigorously tested for optimum print quality.

BROTHER INK TANK PRINTERS
MAKE AN IMPACT
Superior print quality for home and office

High-volume printing

Built for high-volume printing, Brother Ink Tank printers can speed up workflows and save hours in the office. Print up to 7,500 pages in black and 5,000 pages in colour, all at a low cost per print.

The 150-sheet paper tray allows you to load paper less often and keep paper dust- and dirt-free so you can enjoy printing without interruptions.

Multifunctional

Whether you need to print, scan, copy or fax^^, Brother Ink Tank printers have got you covered. The 20-sheet Auto Document Feeder# allows for convenient scanning, copying and faxing of multipage documents. What's more, the 80-sheet multi-purpose tray| provides support for various paper sizes and weights, so you can breeze through print jobs.

Please note that printing and scanning on the DCP-T220 and DCP-T420W via Mac requires downloading of the Brother iPrint&Scan app from the App Store. The Brother iPrint&Scan application on macOS supports PDF/JPG/BMP and PNG formats only. Mac printer driver is not provided.

^^Applicable to MFC-T920DW only.
#Applicable to MFC-T920DW, DCP-T820DW and DCP-T720DW

Wireless | Easy to use | High-volume printing | Multi-functional

Brother SupportCenter App

The mobile app that puts the lastest support information in the palm of your hand.

Brother SupportCenter is a mobile app providing the latest support information for your Brother product. The easy-to-use app gives you access to set up information, product manuals, Frequently Asked Questions and troubleshooting tips, as well as checking your device status.

The Brother Mobile Connect App puts the power of printing at your fingertips with a user-friendly interface that allows for simple operation and printer management from your smart phone. The App features easy onscreen navigation that allows you to wirelessly print, scan and copy from virtually anywhere and keep your home and home office running smoothly.

Brother Mobile Connect for iOS or Android Devices

Use Brother Mobile Connect to print, scan, and copy, as well as manage your printer and customise its features.

Brother iPrint&Scan Mobile App

Connect a compatible Brother printer or all-in-one to your wireless network, and scan and print documents from a smartphone, tablet, or laptop. Use files from your device's libraries or choose from cloud accounts. You can also edit, preview and send faxes, preview copies, or check the machine's status — all from your phone or tablet.

iPrint&Scan Desktop Software

Simplified, one-touch shortcuts for easy desktop scanning in a few easy steps.

The app lets you easily scan and organise your files from your Windows PC or Apple Mac computer, by acting as a central hub for your document scanning, printing and device maintenance. You can create 'one-touch' scanning workflows for your common scanning tasks and specify the type of file you want to save as well as the destination for your scan. Give each workflow a unique name and save them in your dashboard.

Check the Brother Support website or visit www.brother.co.za to see if your printer model supports our Printing and Scanning apps.

Download our free apps on the App Store and Google Play.
