1. **Ordinary resolution number 1: Confirmation of the appointment of Isaac Mophatlane as a director**

“Resolved that Isaac Mophatlane, who was appointed as an independent non-executive director of the company effective 1 September 2023, be and is hereby confirmed as director.”

An abbreviated curriculum vitae in respect of Isaac Mophatlane may be viewed on page 59 of the integrated annual report available at www.mustek.co.za/financial/.

Reason for ordinary resolution number 1

The reason for ordinary resolution number 1 is that article 5.1.4 of the memorandum of incorporation of the company and, to the extent applicable, the Companies Act, requires that director appointments must be approved by shareholders at the next annual general meeting.

2. **Ordinary resolution number 2: Re-election of Pamela Marlowe as a director**

An abbreviated curriculum vitae in respect of Pamela Marlowe may be viewed on page 58 of the integrated annual report available at www.mustek.co.za/financial/.

The Group Remuneration and Nominations Committee has considered Pamela Marlowe's past performance and contribution to the company and, in accordance with article 5.1.8 of the memorandum of incorporation of the company, recommends that Pamela Marlowe is re-elected as an independent non-executive director of the company.

3. Ordinary resolution number 3: Re-election of Hein Engelbrecht as a

"Resolved that Hein Engelbrecht, who retires by rotation in terms of the memorandum of incorporation of the company and, being eligible and offering himself for re-election, be and is hereby re-elected as a Group chief executive director."

An abbreviated curriculum vitae in respect of Hein Engelbrecht may be viewed on page 58 of the integrated annual report available at www.mustek.co.za/financial/.

The Group Remuneration and Nominations Committee has considered Hein Engelbrecht's past performance and contribution to the company and, in accordance with article 5.1.8 of the memorandum of incorporation of the company, recommends that Hein Engelbrecht is re-elected as a Group chief executive director of the company.

Reason for ordinary resolutions number 2 and 3

The reason for ordinary resolutions number 2 and 3 is that article 5.1.8 of the memorandum of incorporation of the company and, to the extent applicable, the Companies Act, requires that a component of the directors rotate at the annual general meeting and, being eligible, may offer themselves for re-election as directors.

4. Ordinary resolution number 4: Confirmation of the appointment of the auditors

"Resolved that the appointment of BDO South Africa Inc. as independent auditors of the company for the ensuing year (the designated auditor being Vanessa de Villiers) on the recommendation of the company's Audit and Risk Committee, be hereby ratified."

Reason for ordinary resolution number 4

The reason for ordinary resolution number 4 is that the company, being a publicly listed company, must have its financial results audited and such auditor must be appointed or reappointed each year at the annual general meeting of the company as required by the Companies Act.

5. Ordinary resolution number 5: Appointment of Pamela Marlowe as a member and chairman of the Group Audit and Risk Committee

"Resolved that, subject to the successful passing of ordinary resolution number 2, Pamela Marlowe be elected a member and chairman of the Group Audit and Risk Committee, with effect from the conclusion of this annual general meeting in terms of section 94(2) of the Companies Act."

“Resolved that Shelley Thomas be elected a member of the Group Audit and Risk Committee, with effect from the conclusion of this annual general meeting in terms of section 94(2) of the Companies Act.”

An abbreviated curriculum vitae in respect of Shelley Thomas may be viewed on page 59 of the integrated annual report.

Reason for ordinary resolutions number 5 to 7

The reason for ordinary resolutions number 5 to 7 (inclusive) is that the company, being a publicly listed company, must appoint an Audit Committee as prescribed by sections 66(2) and 94(2) of the Companies Act, which also requires that the members of such Audit Committee be appointed, or reappointed, as the case may be, at each annual general meeting of a company.

8. Ordinary resolution number 8: Endorsement of the remuneration policy and implementation report

Ordinary resolution 8.1

“Resolved that the company’s remuneration policy, as set out in the remuneration report on pages 64 to 65 of the integrated annual report available at www.mustek.co.za/financial/, be and is hereby approved by way of a non-binding advisory vote of shareholders of the company in terms of the King IV Report.”

Ordinary resolution 8.2

“Resolved that the implementation report, as set out on pages 64 and 65 of the integrated annual report available at www.mustek.co.za/financial/, be and is hereby endorsed as a non-binding advisory vote of shareholders of the company in terms of the King IV Report.”

Reason for ordinary resolutions number 8.1 and 8.2

The reason for ordinary resolutions number 8.1 and 8.2 is that King IV recommends that the remuneration policy of the company be endorsed through separate non-binding advisory votes by shareholders at the annual general meeting of a company. Failure to pass these resolutions will not have legal consequences relating to existing arrangements. However, the Board of directors of the company will take the outcome of the vote into consideration when assessing the company’s remuneration policy and implementation report. Should these resolutions be voted against by 25% or more of the voting rights exercised, the Board will enter into an engagement process to ascertain the reasons for the dissenting votes and address legitimate and reasonable objections and concerns raised.

9. Ordinary resolution number 9: Placing unissued shares under directors’ control

“Resolved that the unissued shares in the company, limited to 5% of the number of shares in issue at 30 June 2023, be and are hereby placed under the control of the directors until the next annual general meeting and that they be and are hereby authorised to issue any such shares as they may deem fit, subject to the Companies Act, the memorandum of incorporation of the company, and the provisions of the Listings Requirements of the JSE Limited, save that the aforementioned 5% limitation shall not apply to any shares issued in terms of a rights offer.”

Reason for ordinary resolution number 9

The reason for ordinary resolution number 9 is that the Board requires authority from shareholders in terms of article 3 of its memorandum of incorporation to issue shares in the company. This general authority, once granted, allows the Board from time to time, when it is appropriate to do so, to issue ordinary shares as may be required inter alia in terms of capital raising exercises, and to maintain a healthy capital adequacy ratio that may be required from time to time. This general authority is subject to the restriction that it is limited to 5% of the number of shares in issue at 30 June 2023 on the terms and further restrictions more fully set out in ordinary resolution number 10 below.

10. Ordinary resolution number 10: General authority to issue shares for cash

“Resolved that the directors of the company be and are hereby authorised by way of a general authority, to allot and issue any of its unissued shares for cash placed under their control as they in their discretion may deem fit, without restriction, subject to the provisions of the Listings Requirements of the JSE, and subject to the provision that the aggregate number of ordinary shares able to be allotted and issued in terms of this resolution, shall be limited to 5% (2 877 000 shares) of the issued share capital at 30 June 2023, provided that:

- the approval shall be valid until the date of the next annual general meeting of the company, provided it shall not extend beyond 15 months from the date of this resolution
- a paid press announcement giving full details, including the impact on net asset value and earnings per share, will be published after any issue representing, on a cumulative basis within any one financial year, 5% or more of the number of shares in issue prior to such issue
- the general issues of shares for cash in the aggregate in any one financial year may not exceed 5% of the company’s issued share capital of that class. For purposes of determining whether the aforementioned 5% has been or will be reached, the securities of a particular class will be aggregated with the securities that are compulsorily convertible into securities of that class and, in the case of the issue of compulsorily convertible securities, aggregated with the securities of that class into which they are compulsorily convertible. The number of securities of a class that may be issued shall be based on the number of securities of that class in issue at the date of such application less any securities of the class issued during the current financial year, provided that any securities of that class to be issued pursuant to a rights issue (announced and irrevocable and underwritten) or acquisition (concluded up to the date of application) may be included as though they were securities in issue at the date of application
- in determining the price at which an issue of shares will be made in terms of this authority the maximum discount permitted will be 10% of the weighted average traded price of such shares, as determined over the 30 trading days prior to the date that the price of the issue is agreed between the company and the party subscribing for the securities. The JSE should be consulted for a ruling if the securities have not traded in such 30-business day period.
- any such issue will only be made to public shareholders as defined in paragraphs 4.25 to 4.27 of the Listings Requirements of the JSE; and any other such issue to related parties subject to the requirements of paragraph 5.52(f) of the JSE Listings Requirements.
- any such issue will only be securities of a class already in issue or, if this is not the case, will be limited to such securities or rights that are convertible into a class already in issue.”

Notice of annual general meeting continued

The reason for ordinary resolution number 10

For listed entities wishing to issue shares, it is necessary for the Board not only to obtain the prior authority of the shareholders as may be required in terms of their memorandum of incorporation contemplated in ordinary resolution number 10 above but it is also necessary to obtain the prior authority of shareholders in accordance with the Listings Requirements of the JSE. The reason for this resolution is accordingly to obtain a general authority from shareholders to issue shares in compliance with the Listings Requirements of the JSE. The authority granted in terms of this resolution number 10 must accordingly be read together with authority granted in terms of ordinary resolution number 9 above and any exercise thereof will be subject to the conditions contained in ordinary resolution number 10.

Note: This resolution requires the approval of not less than 75% of the votes cast by shareholders present or represented by proxy and entitled to vote at this annual general meeting.

11. Ordinary resolution number 11: Authority to action

“Resolved that any one director of the company and/or the company secretary is hereby authorised to do all such things and sign all such documents as deemed necessary to implement the ordinary and special resolutions as set out in this notice convening the annual general meeting at which these resolutions will be considered.”

The reason for ordinary resolution number 11

The reason for ordinary resolution number 11 is to ensure that the resolutions voted favourably upon are duly implemented through the delegation of powers provided for in terms of clause 5.3 of the company’s memorandum of incorporation.

Member	R13 833 annual retainer R5 936 per meeting attended

Reasons for and effect of special resolution number 1

The reason for the proposed special resolution is to comply with section 66(9) of the Companies Act, which requires the approval of directors' fees prior to the payment of such fees.

The effect of special resolution number 1 is that the company will be able to pay its non-executive directors for the services they render to the company as directors without requiring further shareholder approval until the next annual general meeting.

2.2 Special resolution number 2: Financial assistance to related and inter-related companies

"Resolved that the Board of directors of the Group be and is hereby authorised in terms of section 45(3)(a)(ii) of the Companies Act, as a general approval (which approval will be in place for a period of two years from the date of adoption of this special resolution number 2), to authorise the Group to provide any direct or indirect financial assistance ("financial assistance" will herein have the meaning attributed to such term in section 45(1) of the Companies Act) that the Board may deem fit to any related or inter-related company of the Group (related and inter-related will herein have the meanings attributed to those terms in section 2 of the Companies Act), on the terms and conditions and for the amounts that the Board of directors may determine."

Reason for and effect of special resolution number 2

The reason for and the effect of special resolution number 2 is to provide general authority to the Board of directors of the Group for the Group to grant direct or indirect financial assistance to any company forming part of the Group, including in the form of loans or the guaranteeing of their debts.

2.3 Special resolution number 3: Authority to repurchase shares by the company

"Resolved as a special resolution that the company and its subsidiaries be and are hereby authorised, as a general approval, to repurchase any of the shares issued by the company, upon such terms and conditions and in such amounts as the directors may from time to time determine, but subject to the provisions of sections 46 and 48 of the Companies Act, the memorandum of incorporation of the company, the Listings Requirements of the JSE and the requirements of any other stock exchange on which the shares of the company may be quoted or listed, namely that:

- the general repurchase of the shares may only be implemented on the open market of the JSE and done without any prior understanding or arrangement between the company and the counterparty
- this general authority shall only be valid until the next annual general meeting of the company, provided that it shall not extend beyond 15 months from the date of this resolution
- an announcement must be published as soon as the company has acquired shares constituting, on a cumulative basis, 3% of the number of shares in issue prior to the acquisition, pursuant to which the aforesaid 3% threshold is reached, containing full details thereof, as well as for each 3% in aggregate of the initial number of shares acquired thereafter
- the general authority to repurchase is limited to a maximum of 20% in the aggregate in any one financial year of the company's issued share capital
- a resolution has been passed by the Board of directors approving the purchase, that the company has satisfied the solvency and liquidity test as defined in the Companies Act and that since the solvency and liquidity test was applied there have been no material changes to the financial position or required shareholder spread of the Group
- the general repurchase is authorised by the company's memorandum of incorporation
- repurchases must not be made at a price more than 10% above the weighted average of the market value of the shares for five business days immediately preceding the date that the transaction is effected. The JSE should be consulted for a ruling if the applicant's securities have not traded in such five business day period

Notice of annual general meeting continued

- the company may at any point in time only appoint one agent to effect any repurchase(s) on the company's behalf
- the company and its subsidiaries may not effect a repurchase during any prohibited period as defined in terms of the Listings Requirements of the JSE unless there is a repurchase programme in place as contemplated in terms of section 5.72(g) of the Listings Requirements of the JSE."

Reason and effect of special resolution number 3

The reason for and effect of special resolution number 3 is to grant the directors a general authority in terms of its memorandum of incorporation and the Listings Requirements of the JSE for the acquisition by the company and/or its subsidiaries of shares issued by it on the basis reflected in the special resolution. The board of directors intends using the authority to repurchase shares by the company and/or its subsidiaries if it is beneficial for its shareholders, taking into account inter alia favourable market conditions.

In terms of the Listings Requirements of the JSE any general repurchase by the company and/or its subsidiaries must, inter alia, be limited to a maximum of 20% of the company's issued share capital in any one financial year of that class at the time the authority is granted.

To transact such other business as may be transacted at an annual general meeting or raised by shareholders with or without advance notice to the company.

Information relating to the special resolutions

The directors of the company or its subsidiaries will only utilise the general authority to purchase shares of the company and/or the subsidiary as set out in special resolution number 3 to the extent that the directors, after considering the maximum shares to be purchased, are of the opinion that the Group position would not be compromised as to the following:
 - the Group's ability in the ordinary course of business to pay its debts for a period of 12 months after the date of this annual general meeting and for a period of 12 months after the purchase
 - the consolidated assets of the Group will at the time of the annual general meeting and at the time of making such determination be in excess of the consolidated liabilities of the Group.  - the terms under which the financial assistance is proposed to be given are fair and reasonable to the company
 - all conditions or restrictions regarding the granting of financial assistance as set out in the company's memorandum of incorporation have been satisfied and that the Board of directors has passed a resolution authorising the grant of the said financial assistance (the Board resolution) under their general authority so granted, the company which will then provide written notice of the Board resolution to all shareholders
 - within 10 days after adoption of the Board resolution, if the total value of all loans, debts, obligations or assistance contemplated in that resolution, together with any previous such resolution(s) during the financial year, exceeds one-tenth of 1% of the company's net worth at the time of the Board resolution
 - within 30 business days after the end of the financial year, in any other case.
4. The company is not involved in any legal or arbitration proceedings, nor are any proceedings pending or threatened of which the company is aware that may have or have had in the previous 12 months, a material effect on the company's financial position.
